Dear 2019 Graduates,

With much regret, we wish to inform you that the University has decided to cancel the 2019 Congregation, originally scheduled for 22 and 23 November last year.

This is a hard decision which has been made after thorough assessment of the latest development of the COVID-19 epidemic in Hong Kong and different parts of the world, especially with regard to the potential risks of infection associated with large-scale events and mass gatherings throughout the year.

Thank you for your kind understanding, and please stay healthy.
