Dear Graduands,

Re: Rental of Academic Dress

Congratulations on your graduation!

2. In view of the uncertainty of the pandemic situation, the University recently reviewed and liaised with the University's designated supplier, Victoria Uniform (VU) (維多利校服公司) that the rental period of academic dress would be 180 days (exceptionally this year) for 2021 graduates to facilitate their planning for celebration with family members, relatives and friends. If you want to rent the academic dress from VU, please mark the following important dates on your diary for the actions to be taken:

Item	Action to be taken	Deadline / Period
I	Register online via the website of VU (https://www.victoriauniform.com/)	From 19 July 2021 to 26 January 2022
II	Rent academic dress at the designated VU's business outlet	Between 1 August 2021 to 27 January 2022
III	Return academic dress to VU at the same business outlet where you collect the academic dress	The first rental period is on a 180-day basis that will be counted from the first day of collection of academic dress at the VU's business outlet (e.g. If you collected the academic dress on 1 November 2021, the date of your return of academic dress will be on or before 29 April 2022.)

3. You are required to (a) register online via the website of VU in advance; (b) pay the total amount (i.e. deposit and rental fee*) in cash; and (c) present the Rental Slip to VU when collecting the academic dress. Otherwise, you will need to make other arrangement with VU. For details, please refer to the information specified on our website (<http://congregation.eduhk.hk/>).
